Presidents Message:

A look back and a look forward – our June meeting will be a great food celebration and time to enjoy our accomplishments and think about the future. Don't miss our annual pot luck dinner on the 13th at the church. It was too early for some of us to commit on the signup sheet for the dinner – don't worry, based on past events it is proven best to use your own judgment and enjoy making and bringing your favorite! Serving utensils are always appreciated.

Also don't forget to bring your black/white/other color entries AND your nametag! Did you manage to finish one last UFO before this meeting? Bring it and any others you did this past year for show and tell.

We will party, remember some great accomplishments and have installation. See you there!

Helen

NewboRN
Home Visiting

Dear Sharon,
I am one of the Newborn home visiting nurses that has the privilege of visiting new moms and giving them the thoughtful quilts, you and the guild make for their babies. I just wanted to thank you and the Tree Quilters Guild of Gainesville personally for the fabulous quilts. Every mom is always so thrilled to receive one. I wanted to relay a particular story of a mom whom I just gave a quilt to this week. This mom is new to Gainesville having just moved here in December from South Florida. She and her husband moved to the area hoping to find a place that was slower paced with friendly people and a wholesome place to raise their son. When I handed mom the quilt, she looked at her husband, got teary eyed, and said, "This is why we moved to Gainesville". Thank you for providing a warm embrace that all new families need and also a warm welcome!
